LETTER OF PROTEST

With reference to Bunker delivered at Marcus Hook PA anchorage by bunker barge DS-306, Global Bunker, on 7th March 2014, BDR or BDN No 1260791, the Low Sulphur Fuel Oil after DNV analysis shows sulphur content more than 1.00 %.

The determined sulphur content is 1.08 % against the BDN value of 0.989 %.

In light of above, I, the Master of the M/T Stena Primorsk, on behalf of the Owners and Charterers, hold You responsible for any costs, losses and expenses involved in this matter there of I reserve the right to take such further action as may be considered necessary on behalf of the Owners and Chatterers. I reserve the right to refer to this Letter of Protest at a further date and place convenient to the Owners and Chatterers

Yours Faithfully

Captain Lars Goran Helander
Master of m/t Stena Primorsk
